

# THERMA-TRU'S CLASS OF 2012

COMING SOON!

## SMART PRODUCTS THAT WILL HELP WIN THE SALE

### NEW PRIVACY GLASS

Maintain maximum privacy while letting natural light into the home with simply elegant designs.

New for 2012, Therma-Tru® delivers 4 privacy glass designs that have it all – Chord, Chinchilla, Rainglass and Granite.

- Available at affordable price points in 26 unique sizes to fit doors and sidelites in every Therma-Tru collection.
- Featuring triple-pane glass construction that provides reduced outside noise and an ENERGY STAR® qualification.

### NEW CLASSIC-CRAFT® AMERICAN STYLE™ AND CANVAS™ CRAFTSMAN SIDELITES

Builders, designers, architects and homeowners that are exacting in their desire for the full Craftsman package can now have it with the Craftsman style door + new sidelites.

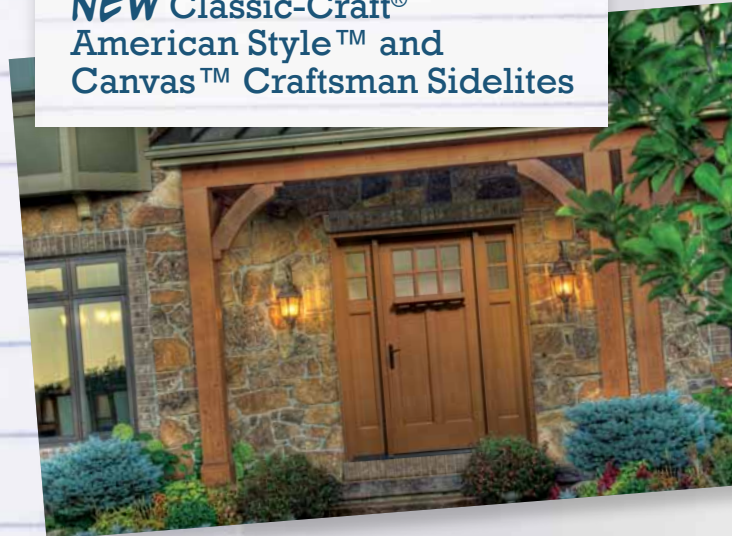

- Featuring architecturally correct details, grand panel sizes and embossments.
- Features an ENERGY STAR® qualification and limited lifetime warranty.

Plus, Huttig's nationwide distribution, along with one-truck delivery and full-service door shops that include the Finish Line™ pre-finishing system, makes us a top distributor for Therma-Tru exterior doors.

# THERMA-TRU'S CLASS OF 2012

COMING SOON!

## SMART PRODUCTS THAT WILL HELP WIN THE SALE

### **NEW** FIBER-CLASSIC® MAHOGANY™ 3-PANEL DOOR STYLE

- Features a rich, premium Mahogany grain with hardwood textures that mirror nature's own.
- Backed by an ENERGY STAR® rating and limited lifetime warranty.
- Offers potential to increase curb appeal with options to add 3/4-square or 3/4-oval glass inserts.

### **NEW** STAINABLE ASTRAGAL

Introducing a stainable, aluminum astragal in three grained surfaces to complement any Therma-Tru Oak-, Mahogany- or Fir-grained double-door entryway.

- Designed to provide uninterrupted system performance, featuring a superior boot design that helps to seal against air and water leaks.

### **NEW** PROFILES™ STEEL DOOR STYLES

Introducing two additions — the 2-panel plank soft arch style and 2-panel Craftsman style.

- Complements the popular fiberglass door styles in the Classic-Craft®, Fiber-Classic® and Smooth-Star® collections for homes.
- Showcases favorite door styles from the home's front entryway to the garage-to-home entry.
